Dear Principal:

Schurz High School has a spectator policy. Our school gymnasium is small and will only accommodate a small number of spectators. We are also adhering to the Chicago Board Education rule of no spectators. Parents will be permitted if a call has been made to the school, requesting permission to attend and they have identification.

All Schurz High School visitors need to clear through the metal detector screening security system to enter the building.

All team(s) members must present an eligibility sheet and come with the coach. Managers and statistician must have identification in order to be with the team.

Thank you for your understanding as we continue to support and keep all athletic events safe.

Sincerely,

Peter J. Fosco  
Athletic Director
