

Carl Schurz High School

BUSINESS, FINANCE AND CAREERS ACADEMY

Business, Finance and Careers is a prestigious, nationally approved academic program designed to teach fundamental business principles through experiential projects, internships, and post-secondary exposure.

OUR GOAL:

Job Placement/Internships in Professional Service Careers

Students participate in multiple job shadows and internships at top corporate, non-profit, university, and government institutions through our program.

Skill Development

- Academic - personal finance, economics, entrepreneurship, globalization.
- Employability - fundamental, character, problem solving, interpersonal, computer etiquette.
- Technical - keyboarding, web 2.0 applications, office software.

Industry Certifications

The Schurz Business, Finance, and Careers Academy provides opportunities to earn industry approved financial and digital technology literacy certificates.

OUR PARTNERS:

DON'T LET THESE ONCE-IN-A-LIFETIME OPPORTUNITIES PASS YOU BY.

Business, Finance and Careers Taking your future seriously.
